Upeksha Delwala

Undergraduate

Imagine a talented young IT enthusiast with a heart full of creativity and empathy, a mind wired for problem-solving, and a spirit radiating positivity and an unwavering work ethic. That's me! My creativity fuels my ability to think outside the box, envisioning solutions that others might overlook. My empathetic nature helps me understand the needs of users deeply, allowing me to design applications that truly resonate with people. Combined with my strong work ethic, I am not afraid of hard work; I embrace it as a chance to learn and grow.
